

# SAWTOOTH MOUNTAIN CEMETERY LOTS

Measuring - From lower end of grave, measure over five feet. Place flags on each lower corner. Measure up eight feet from each flag. Place flags on each upper corner. This is the area that may be dug. The top four feet of the lot must be left undisturbed. The monument must be centered on a footing that is 12 inches longer and wider than the base of the monument and even with the ground surface.
